

vCam-6 HD

INSPECTION SYSTEM

- 1080p HD camera heads
- 1 Terabyte hard drive
- Four-Hour battery life
- One-touch recording and image capture
- Camera exchange program
- Backward compatible⁽¹⁾

Increase productivity and profitability with the feature-rich vCam-6 inspection camera system. Built tough and reliable for everyday use, the versatile vCam-6 is a good fit for plumbers, contractors, home inspectors, building maintenance supervisors, or anyone looking to inspect the interior of a pipe or duct. Create crisp, detailed HD video inspections with audio comments, text descriptions, footage, date, and timestamps to submit to your customers without worry. Putting in a full day's work is easy with the four-hour battery life and charging on-the-go with the provided AC and DC charging leads.

Designed for ease of use and engineered for dependability, vCam inspection products ensure trouble-free operation with little down time. Extend the capabilities of the system with the smaller accessory Type-MX reel for smaller lines, or increase the inspection diameter with the optional adjustable Type-B skid.

WIFI - Powerful 150' / 45m Range

Daylight viewable HD touch-screen LCD

USB Mini data port for LACP software interface
